Optimizing Our Partnership

1. **PROSPECT PROGRAM**  
   *(Bank Prospects)*
   - Co-prospecting to attract new bank customers
   - Bundled offers can increase loyalty and penetration to the bank and cross-sell success into merchant services

2. **NEW DDA/EARLY LIFE**  
   *(New Customers)*
   - Timing of merchant referral and consultation is key to success
   - Empower bankers to discuss merchant services at account opening
   - Incorporate merchant services into new business account welcome strategy

3. **EMBEDDED BASE**  
   *(Existing Customers)*
   - Identify business customers not processing with Worldpay
   - Create a targeted marketing and sales strategy based on segmentation

**Prospecting**  
**Day 1 – Day 30**  
**Day 30+**

The Path to Success

<table>
<thead>
<tr>
<th>Number</th>
<th>Event</th>
<th>Details</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Bank Referral Training</td>
<td>• Empower and enable bankers to discuss merchant services with each and every new business account opening.</td>
</tr>
</tbody>
</table>
| 2      | New Business DDA Visibility        | • Bank provides ongoing list of all new business DDAs opened.  
                                     | • Our automated data analytics process will cross-reference new DDA account openings against merchant referrals to identify time-sensitive opportunities. |
| 3      | Bank and Sales Partnership         | • Enhanced referral process w/ accountability measures put in place.  
                                     | • Our sales team identifies referral and coaching opportunities to improve partner collaboration.  
                                     | • The Bank management team’s support is critical to drive accountability. |
| 4      | Bundled Offer/Promotion            | • Merchant offers can aid in deeper discussions and develop a sense of urgency.  
                                     | • Worldpay merchant offers are available based on opportunity.  
                                     | • Product bundled offers are recommended to increase loyalty and penetration. |
| 5      | Early Life Marketing               | • Early and direct communication to complement referrals and sales process. |
| 6      | Program Transparency               | • Reports and dashboards to show effectiveness at every step of the process.  
                                     | • Ongoing sharing of learnings from peer portfolios to drive efficiencies and success. |
Program Success Stories

Case Study

<table>
<thead>
<tr>
<th></th>
<th>Success Story 1</th>
<th>Success Story 2</th>
</tr>
</thead>
<tbody>
<tr>
<td>% Increase in Referring Branches</td>
<td>200%</td>
<td>NA</td>
</tr>
<tr>
<td>% Increase in Referrals</td>
<td>314%</td>
<td>124%</td>
</tr>
</tbody>
</table>

Results:
- A non-referring branch got energized by the new campaign and improved their focus on New DDAs and existing customers.
- 2 months into the campaign, everyone at the branch sent at least 1 referral.

Positive Feedback

“We are seeing a level of interaction and excitement that I haven’t seen before in this market. From the FTCH Head of Retail down to the CSR’s in the branches, everyone is involved and engaged and motivated by the success that we are seeing”.

</tbody>
</table>

**1** Embedded Base List
- List from bank with correct contact information including branch information

**2** Segmentation
- Mining the existing customer database and prioritizing opportunities based on segmentation
- Identifying triggers
- Customer contact strategy

**3** Banker and Sales Partnership
- Ongoing cadence between bankers and AEs to discuss opportunities and strategies
- Incorporate next best offer
- Management engagement

**4** Bundled Offer/Promotion
- Merchant offers can aid in deeper discussions and develop a sense of urgency.
- Worldpay merchant offers are available based on opportunity.
- Product bundled offers are recommended to increase loyalty and penetration.

**5** Embedded Base Campaign
- Ongoing campaigns with a targeted contact strategy leveraging marketing and outbound selling
- Incorporate triggers based on propensity to buy models

**6** Program Transparency
- Reports and dashboards to show effectiveness at every step of the process
- Reports – list quality, campaign reporting, banker engagement, marketing effectiveness, and close rates
What’s Next?

– Consult with your Principal Partnership Manager to schedule a Program Assessment of current Early Life and Embedded Base strategies

– Complete Bank Referral Training

– Develop an enhanced Marketing and Sales Strategy based on newly defined, automated process and accountability measures

– Launch!

Program Assessment and Set-up: 10 – 15 days
